

Dear Sponsor:

The Dothan Fire Department takes pride in serving YOU, and we are seeking your support of us. We are proud to announce the twelfth annual “Fit-2-Fight” 5K & 10K Run Saturday, May 1, 2021.

The fire service is physically, mentally, and emotionally demanding, with heart attacks being the number one killer of firefighters! The Dothan Fire Department has taken steps to prevent line of duty deaths by investing in the health and wellness of our members.

You can help by sponsoring this year’s “Fit-2-Fight” race! All proceeds are used to purchase fitness equipment and provide health and wellness education.

If you are unable to sponsor, please join us on May 1st for an opportunity to fellowship and participate in a great race! If you have any questions, please contact Chief Gibson at (334) 615.4501 (jsgibson@dothan.org) or Captain Byrd at (334) 547.2129 (rtbyrd@dothan.org)
