

	Standard Operating Guideline	
	SOG Name:	Performing Fire Safety Stand-By
	SOG Number:	200.20
	Standard:	TBD
	Guideline Owner:	Non-Emergency Operations
	Implementation Date:	May 31, 2017
	Date of Last Revision:	March 4, 2021
	Authority:	Larry H. Williams, Jr, Fire Chief

PURPOSE: To facilitate the professional and thorough accomplishment of fire safety, through inspections in all Public Assembly Occupancies before events begin and during such events.

SECTION 1

Duties are as follows:

1. All Fire Department members assigned to standby at an event shall represent the Dothan Fire Department with professionalism at all times.
2. Members conducting Fire Prevention Inspections shall adhere to the basic guidelines contained within the adopted codes.
3. Evaluate equipment and appliances for code compliance.
4. Visually inspect exits and egress corridors for accessibility.
5. Work with the building management to ensure that the occupancy limit is not exceeded.
6. Enforce the No-Smoking rule if applicable.
7. Activate notification system in the event of fire and attempt to evacuate citizens in an orderly fashion.
